Our Critical Home Repair (CHR) program is growing!

With your support, we can help 100 limited-income families a year remain rooted in a firm foundation.

To reach our goal of more than doubling the number of repairs completed annually by 2023, *CHR* must:

- *Increase staffing*
- *Purchase additional equipment*
- *Increase volunteer base*

HOW INDIVIDUALS AND BUSINESSES CAN HELP:
Shop or donate at Central Oklahoma Habitat ReStores
Make a monetary donation
Sign up to volunteer with CHR

CHR is a home preservation program that provides needed interior and exterior repairs for limited-income homeowners so that they maintain a safe, decent, and affordable place to live. Since 2008, CHR has helped nearly 600 families living in Oklahoma County.
