Our Critical Home Repair ^(CHR) program is growing!

With your support, we can help **100** limited-income families a year remain rooted in a firm foundation.

To reach our goal of more than doubling the number of repairs completed annually by 2023, **CHR** must:

- ▶ Increase staffing
- ▶ Purchase additional equipment
- ▶ Increase volunteer base

CHR is a home preservation program that provides needed interior and exterior repairs for limited-income homeowners so that they maintain a safe, decent, and affordable place to live. Since 2008, CHR has helped nearly 600 families living in Oklahoma County.
