With a nightly payout of \$4,975.00 in prize money (\$1,000.00 Coverall, \$500.00 Bonanza, \$475.00 Jackson Coverall, plus many other games), your chance to hit it big could be very soon! Pull-Tabs are played throughout the evening, with popular games like King of the Mountain, Ultimate Derby, and many more!

Enjoy your favorite games, grab some hot food from Darlene's Kitchen, see some familiar faces from Barn Lot Theater (all proceeds go to the theater, after all), and hit it BIG with Barn Lot Bingo!

### Diamond Caverns: A fun time for the whole family!

Nestled in the gently rolling hills of south central Kentucky, Diamond Caverns was discovered in July of 1859. One month later in August, we were open and giving tours.

As Kentucky's second oldest show cave and among the oldest continuously-operated show caves in the United States, we know a thing or two about cave tours and hospitality.

Our beauty is second to none. We take pride in being a small but incredibly decorated cave. In Diamond Caverns, formations adorn the ceilings and walls, and the colors are rich and varied. Our unique history is intertwined with the central Kentucky region: from influential owners, ties to local, now long-gone taverns and stagecoach lines, through the raging Kentucky cave wars that dominated the first half of the 20th century, and into partnerships and good relations with other local caves and the National Park.
