The Story of Raven's Cross

Beginning as a passion project in 2016, Raven's Cross quickly became a nationally recognized, award winning haunted attraction. Today though, Raven's Cross is so much more than a seasonal haunted house. Never wanting to settle for good enough, we wanted to bring more offerings with the same level of excitement for our guest, so...

Raven's Cross Escapes has two amazing, hour long escape games. The Nautilus Incident is a thrilling adventure set in Captain Nemo's underwater submarine. The Final Chapter is a mystery set in a secluded cabin in the woods. Two immersive, top tier games built for the casual player or seasoned escape enthusiast.

Legendary Collectibles is a unique shopping experience unlike anything else in the area. 'From All Ages, For All Ages' is our motto at Legendary Collectibles and we mean it. From classic children's toys from yesteryear to the high end figures and statues. Handcrafted items from several local artisans and original artwork. There is something for everyone at Legendary Collectibles.

Cave Country GellyBall is a blast for the whole family! Think paintball, but without the stain and without the pain. Our GellyBall arena is great for a game of capture the flag, team play or free for all play. A fun alternative for birthday parties, scout troops, competitions, etc. You decide.

Opening Summer of 2022, Absolutely Sweet at Raven's Cross is featuring an array of delicious baked goods like cupcakes, cookies, candies and more.
