Moore's Cabinets

When looking for fireworks, there's no better place to get the best "bang for your buck" than Moore's Cabinets in Russell Springs.

Since 1994, Moore's Cabinets, of Russell Springs, has served the entire area as a multi-faceted business.

At this time of year, people travel from all across the state to browse Moore's huge and competitively-priced selection of fireworks.

Promoting safety and ensuring value, Moore's Cabinets is THE destination point for those wanting to have a "blast," and light up the sky with festive fireworks.

Holding a coveted Five Star review on Google, the cottage industry has survived and thrived on providing top-notch service and professionalism.

With a focus on kitchen/bath cabinets and countertops, Moore's is known as the "got to" for: bathroom cabinet installation, cabinet refinishing, cabinet repair, custom cabinet design, kitchen cabinet instal-
