# From Field to Table: Dennison's Roadside Market

For over 25 years, Dennison's Roadside Market has embodied the true essence of "field to table".

Owners Paul and Kathy Dennison take pride in growing a variety of fruits and vegetables right on their farm. They offer a complete line of produce in season, including tomatoes, sweet corn, beans, cabbage, peppers, potatoes, squash, zucchini, strawberries, and much more.

Located on scenic US 31E in Horse Cave, Dennison's Roadside Market has a greenhouse filled with seasonal flowers and plants. On site is also a pavilion with shelter and picnic tables that is open to the public. There is also an outdoor play area for children to

enjoy.

During the fall season, they also offer tractor rides to the pumpkin patch where families can make memories picking their own pumpkins.

Inside of the market, you'll find jams and jellies, Amish baskets, Kentucky Proud products, Chaney's Ice Cream, Penn's Country Hams, Legacy Dairy products, crafts, and more.

"If we don't have what your looking for, we'll try our best to get it for you," Kathy said.

But perhaps above all else, Dennison's Roadside Market offers what many other businesses can't: a down-home experience that can be enjoyed by all ages.

"Come sit on the porch and swing or just walk around the market," Kathy said. "We strive to provide an atmosphere that's inviting to everyone, young and old."

Dennison's Roadside Market is located at 5824 South Jackson Hwy. in Horse Cave. Hours of operation are Monday through Saturday from 8 a.m. until 5 p.m. and closed on Sundays. Concessions are also set-up every weekend, Thursday through Saturday.
