Year Round Performances Barn Lot Theater

Barn Lot Theater brings the spotlight center stage in the small town of Edmonton, KY, and has been described as "a gem tucked away in small town Kentucky."

People drive from miles away to see plays at Barn Lot, which include musicals, comedies, mysteries, dramas, and anything in between! They've featured

productions like Les Miserables, A Christmas Story, Agatha Christie's Spider's Web, Shrek the Musical, Sweeney Todd, Little Shop of Horrors, and the list goes on!

Barn Lot Theater's Executive Director, Kyle Hadley has big plans for the theater in the coming years. Barn Lot purchased the TOPPS factory building next door to the theater last year and plans to ultimately use it to

create a performing arts center in the heart of Metcalfe County. They hope to include classrooms, banquet rooms, and more for the community to utilize for arts advancement in South Central Kentucky. The new building will also include at least one larger stage area, as well as consolidate all of Barn Lot Theater's facilities under one roof. Don't worry; the current theater will live on as a smaller black box theater when the time comes!

The folks at Barn Lot are happy to have year round performances in their current location at 207 S Main St. in Edmon-

ton, KY. Barn Lot Theater is a nonprofit performing arts organization in Edmonton, KY, just an hour east of Bowling Green and an hour west of Somerset.

To purchase tickets to Barn Lot's upcoming shows, visit barnlot-theater.org or call (270) 432-2276!
