Saving Grace

Online boutique offers custom orders and more

In September of 2020 Heather Wall took a step-in faith and opened her own "online boutique", Saving Grace Designs.

Since then, her private online Facebook group has grown to include around 1,400 members with new members joining weekly.

What brings so many?

While Heather keeps a number of popular items in stock such as t-shirts, tumblers, and air fresheners (known as freshies), she also specializes in sublimation, vinyl, and screen printing for all clothing items.

In addition, she takes custom requests and encourage shoppers that, "If you don't see something in the group that you're wanting, shoot me a message and I'll be glad to help in anyway I can!"

Saving Grace Designs can be found on Facebook at <https://www.facebook.com/groups/684441908945743>, or locate her ad within this paper for a QR code that directly links to her page.
