A Presbyterian Welcome!

By Helen Vogt Greene

There was a warm welcome from the members and guests of the First Presbyterian Church for Rev. Constance Cole Bright. Special thanks were given to Alan Lin, Lisa Linder, John Powell, Barbara Stanton and the talented Dreyfus student, Alexander Sinn for assisting in the service.

It is easily understood why God called Rev. Constance Cole Bright to His ministry. As a former retired teacher, Rev. Bright has a special way of reaching her listeners.

Rev. Bright's message had all the indication why she was a successful Broward teacher, counselor and guidance counselor. God continues to bless her teaching talents in His ministry.

Rev. Bright was blessed by God's call to ministry when she retired from teaching in 1995. She returned to the South Florida Center for Theological Studies and received a Master of Divinity in 1998. She was welcomed into the faith of the Presbytery of

Rev. Bright is the mother of one daughter, one son and eight grandchildren.

Using the Bible stories of the young ministers, Timothy and Titus, Rev. Bright assured each listener that "God is able to immeasurably give more than we can ask for or can imagine."

As that teacher preparing her students for that "test of life," Rev. Bright shared God's most precious gift to those who believe - prayer and that direct - one on one with God. These prayers, as a gift, are for everyone that believes.

Following a spirit filled service with prayers and music, Rev. Bright joined other members and guests in a light lunch prepared by Lisa Linder and those special cooks. Members and guests left saying... "Praise God, I am glad I came."

Bells Across America

By Helen Vogt Greene

Karen Christie, Regent of Garcilaso de la Vega, Daughters of the American Revolution of Lake Worth Beach and the voice of "We The People" gave a special welcome to all those who were attending the "Bell Across America" event at the Lake Worth Public Library.

"Bells Across America" is a celebration of the ratification of the Constitution on September 17, 1787. The Lake Worth Garcilaso dela Vega, NSDAR was especially thankful for the support of the other local DAR chapters.

Karen Christie, Regent, welcomed Betty Resch, the Honorable Mayor of the City of Lake Worth Beach. Resch presented a moving Proclamation from the City of Lake Worth Beach. The Chapter was especially pleased that the Mayor was well enough to attend following her surgeries.

Christie also welcomed Don Lanman, President of the Palm Beach Sons of the American Revolution. Their support continues to be especially appreciated.

Christie went on to point out that because of the Constitution, "every American has the guarantee of life,

liberty and the pursuit of happiness."

Teresa Bevan, First

Vice Regent, who also did a marvelous visual reminder of the Constitution with

a display in the entrance of the Lake Worth Beach Library, gave an excellent presentation of the importance to each of us as Americans of the Constitution of the United States. Bevan added interesting highlights on some of the signers of this great document.

A special Constitutional Prayer was given by Helen Vogt Greene, Chaplain, in which the guests took part with their bells. It was very important that all Americans realize that this document when ratified was for "We The People."

At 4 p.m., the time of the ratification, the DAR bells were rung as a reminder of the 'gift' for which many of our ancestors gave thier lives. It is the purpose of Garcilso and other DAR Chapters to raise public awareness as to the importance of the Constitution.

A special thank you was given to Cindy Ansell, Head Librarian, and the Lake Worth Public Library for opening their doors to the marvelous conference rooms to allow the program to take place out of questionable weather. Garcilaso appreciates the partnership they have with the City of Lake Worth Beach.
