

## Russell County FFA Officers

**Sophie Shearer - President**

Daughter of Kevin and Joy Shearer

When I was a freshman, I just had the feeling that being an officer is something that I wanted to do. Since then, I have worked to stay involved in the chapter as a member and then as a committee chair. Last year I had the opportunity to be the reporter, and I thoroughly enjoyed serving on the officer team.

**Morgan Jones - Vice President**

Daughter of Donnie and Stephanie Jones

I was led to joining FFA freshman year because of my older cousin but I have loved it since Day 1!! I wanted to be an officer to lead our chapter while also making a change to make FFA the best program we can be!

**Elly Richardson - Secretary**

Daughter of Ryan and Courtney Richardson

I joined FFA my freshman year of high school and it changed my life so much, I have learned new things, met new people, and I became an officer because I wanted to help younger members make those memories too!

**Bryanna Smith - Treasurer**

Daughter of Bryan and Melissa Smith

I was led to join FFA my freshman year of school because I have been raised on a farm and agriculture has been a primary part of my life for so long. Outside of FFA, I work on my family farm, Smithland Angus, and show angus cattle on a local, regional, state, and national level. I have a passion for my SAE and competing in speaking and livestock judging contests.

**Abby Wolford - Reporter**

Daughter of Eric and Susan Wolford

I was hesitant to join FFA at first, but I have truly found my place in FFA. I have competed in regional speaking contests, livestock judging up to the state level, got to attend the National Convention, learned valuable life skills and so much more in my 3 years of involvement. As reporter, I strive to encourage freshmen to join just as upperclassmen and officers encouraged me to join and find my place.

**Brandon Leach - Sentinel**

Son of Craig Leach and Amy Dennis

I have grown up on a farm and have had an interest in farming for as long as I remember which led me to be in FFA. I enjoy competing for our chapter in several different events throughout the year.

**Cass Foley - Parliamentarian**

Son of Jared and Christy Foley

I have always looked up to past officers and that led me to becoming an officer because I want to be someone other members look up to. For my SAE I raise and show beef cattle.

**Morgan Taylor - Chaplain**

Daughter of Craig and Crystal Taylor

I became an officer because I enjoyed being a part of our organization and wanted to be a part of a larger role.
