TOBACCO: A WINNABLE BATTLE

Tobacco use is the number one cause of preventable death in the United States and around the world. Tobacco killed one hundred million people worldwide in the 20th century — and if current trends continue, it will kill one billion people in the 21st century. Every year, tobacco kills more than 480,000 Americans and six million people worldwide.

A Winnable Battle

We know how to win the fight against tobacco. Science and experience have identified proven, cost-effective strategies that prevent kids from smoking, help smokers quit and protect everyone from secondhand smoke. These strategies include:

- Higher tobacco taxes
- Laws requiring smoke-free workplaces and public places
- Well-funded programs, including mass media campaigns, that prevent kids from starting to smoke and help smokers quit
- Increasing the age of sale for tobacco products to 21
- Regulation of the manufacturing,

marketing and sale of tobacco products. These proven solutions save millions of lives and billions in health care costs.

On a separate note, it is important to point out that Kentucky is one of the unhealthiest states in our nation; but, a few healthy lifestyle choices could change this. First, eating normally portioned helpings of nutritious foods including at least five fruits and vegetables a day can lower weight and reduce heart disease and diabetes. Second, exercising about 30 minutes per day can lower blood pressure. Third, avoiding the use of tobacco products can reduce several types of cancer. Finally, making sure you get your needed preventive screenings can detect diseases early and greatly increase your chances for a positive health outcomes, while receiving your recommended vaccinations can prevent acquiring disease in the first place. Visit our website at www.LCDHD.org and click the "52 Weeks to Health" banner to learn more about each of these areas.

Hidden Treasures with Love THE CRYSTAL RIVER

In the late 1700's and early 1800's, on the banks of the Mississippi River, was one of the fastest growing cities in Mississippi. The prosperity and location of the city put it in the running to become the state's capital. It lost by only 3 votes. Factories springing up like tender dandelions in a beautiful green field on the banks of the mighty Mississippi River it seemed as if no enemy could slow down its progress, but today the city is a ghost town. What happened? A sand baron on the banks of the city started building up filth and little by little the river began to take a different course. Today the river is 3 miles away from Rodney Mississippi. An empty hollow shell of what once was a beautiful prowling city!

Paul spoke of a time when church people would not endure sound doctrine. They once located on the banks of the crystal river has allowed greed, jealousy, and pride to build up, and removing the spirit of God from the equation.

Isa-59-(2-3)-But your iniquities have separated between you and your God, and your sins have hid his face from you, that he will not hear. For your hands are defiled with blood, and your fingers with iniquity; your lips have spoken lies, your tongue hath muttered perverseness.

Jesus made us a promise, I will never leave you! Church people have left God!

Jer-2-13-For my people have committed two evils; they have forsaken me the fountain of living waters, and hewed them out cisterns, broken cisterns, that can hold no water.

So easy a child could understand.

This treasure is not intended for any private interpretation, thus knowing no church or person is exempt of having broke cisterns.

1 Pet-5 (8-9)-Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.

Living in a time when adultery, lust, greed, jealousy, and pride is standing behind pulpits in churches with broken cisterns and contaminating church people by deception!

Mt-24-11-And many false prophets shall rise, and shall deceive many.

Key verse-Jer-6-16-Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls. But they said, We will not walk therein.

Jer-5-27-As a cage is full of birds, so are their houses full of deceit: therefore they are become great, and waxen rich.

The main focus is repairing broken cisterns and asking for old paths which is,
