### Hidden Treasures with Love THE DARK CURTAIN

Jesus tore down the curtain separating average people from the holy place. Signifying the access that all people had to God from that time forward. Access only through Christ, he fulfilling the law by taking down the curtain. Today the world is constructing their own curtain of darkness trying to corneal and kill the city of light. A new world order that will call Christians enemy number 1. Christian realist will not conform, bend, bow, or break as darkness continues it's assault against Christ and his Church. Real Christians will be labeled haters for saying that abortion and same sex marriage are an abomination unto God. The love of God is the only weapon that will overcome darkness. All religion not having such love will stand with the new world order! All the armed forces of the world will consolidate as the one world government. Under the dictatorship of the Antichrist, a totalitarian regime with control of all aspects of life through a computer chip having the mark of the beast inside. Electronic wizardry is the beast of Revelations.

Christian realists needs no weapons or hiding places. Our weapon is hid in the love that propelled Christ the extra mile on a cross at Calvary! This gave us the ability to climb every mountain, forge every river, and pass through every valley. Christ taught that vengeance is not ours to give, but rather Love your enemies.

Matthew 5-44-But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you.

Luke 6-35-But love ye your enemies, and do good, and lend, hoping for nothing again; and your reward shall be great, and ye shall be the children of the Highest: for he is kind unto the unthankful and to the evil.

Revelations unveils what will come to pass.

Revelations 13-7-And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

A totalitarian government's goal is to shut the windows of light so that hypocrisy of darkness can ooze over the land like toxic waste. We, the faithful, are the windows of light. Christ's command, let your light shine. Our light will get brighter near our Finish.

Christ said, Revelations 2-10-Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life.

Our light is a target that bells sharp shooters have in their cross hairs. Darkness has many weapons. Putting deception at the top of his arsenal. We must remain faithful unto death. Be sober and vigilant because our our enemy the devil is as a roaring lion seeking whom he may devour. As the infernal regains of dark abyss continues constructing.
