Recycling

in Green County

There are recycling bins located in Green County that are free for the residents to use. All items, if recyclable will have a recycle symbol. Many times the symbol will be on the bottom of plastic items. Each bin is labeled cardboard, plastic and metal. Aluminum is placed in the metal bin. Bin locations are as follows: at the Old Dollar Store behind the courthouse, the Summersville Laundry Mat, Exie Fire Department, Pierce voting precinct, and in the vacant lot just past Green River Lumber. Thank you for not throwing trash in the bins.

Summertime, and the Livin' is Easy

"Summertime, and the livin' is easy Fish are jumpin' and the cotton is high." - Bille Holliday, 1900, Janis Joplin, 1969.

Summertime - it's the most active season. The world awakens and so do I. I seriously joke that if there weren't cold seasons, I'd never get any rest with my desire to grow everything. My inner-hobby-gardener-self is reinventing the outdoor patio room with beautiful, lush plants. As the weather turns warm, I start to dream about plants, fresh herbs and flowers growing everywhere. Yes, it's true. I love summer! Oh, the possibilities are

endless!

It's going to be a super busy summer season. This season we will welcome a sweet baby boy to the family. We are planning the July 4th holiday. I bought my fishing license looking forward to fishing and kayaking. While wondering how I am going to make all this happen, I look forward to a season filled with family, fun and food. So much to do while the weather is warm.

While looking forward to a really busy work season. The path seems to be long with a winding road up a tall, massive mountain, only, I can't see the mountain's peak. I walk conscientiously in faith toward the mountain. Let's go!

"And will you succeed? Yes! You will,

indeed! (98 and 3/4 percent guaranteed.) KID, YOU'LL MOVE MOUNTAINS! So... be your name Buxbaum or Bixby..., You're off the Great Places! Today is your day! Your mountain is waiting. So... get on your way! Oh, the Places You Will Go." ~ Dr. Suess

Now, in this busy season, we must take time to enjoy life and take some short summer excursions. And the good news is we live in Kentucky! So many daytrips are possible, and we finally feel free to get out and go. There are many events scheduled in the 2022 Kentucky festivals including Somerset's Master Musician Festival featuring Grace Potter. Currently, we have one trip in the planning stage: Mammoth Cave. It's been years since I've visited and explor-

ing it again with my family makes it all the more special. Get a list, your summer schedule and make some plans. Usually, the best short excursions are spontaneous. Just go!

Remember my friends and readers, embrace Ecclesiastes 3:1-4, "For everything there is a season, and a time for every matter under heaven: a time to be born, and a time to die; a time to plant, and a time to pluck up what is planted; a time to kill, and a time to heal; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance."

Love God and All People. Amen.

Make today a good one

Let's all try to spend today and the rest of our lives more wisely. With rising inflation, we are all having to spend our hard-earned paychecks with care. Life is the same. We have less life today than yesterday. We don't have as much life to spend today. We are all clueless how much life we actually have left to spend. Even if we have a lot of life left there is no guarantee of the quality of our remaining lives.

Being able to walk, talk, breathe, see, hear and mentally function are all incredible gifts. Try to take care of what you have and even then, life changes beyond our control. We are all susceptible to injuries or diseases that can diminish the quality and end our lives.

Spend time with the people you care about. At least call them on the phone and visit as often as you can. We

can all think of people who have departed this life who we miss. The only time you have people for sure is today.

Consider what you really need to make you happy. How much stuff does it take? We spend life accumulating and storing up. Eventually we have to figure out what to do with all our stuff. Do we give it away or leave it for someone else to worry about? Leaving our junk for others to throw away or put in a yard sale may not be a very nice way to treat family or loved ones. Friends of mine from Ohio are now about 82 and recently sold their nice large house and moved into a smaller place. They've spent the last year unloading a lifetime of accumulated things. It's not easy to do but what are you going to do with all that stuff you aren't even using now?

What are the simple things of life that you enjoy? There are aspects of life that we have to do and some that we enjoy doing. If we can squeeze in some of the enjoyable then life is a lot more fun. Often what we enjoy in life is

not the exotic or chaotic but often simple routines we do all the time.

Continue to invest in yourself. Take a class, learn a new hobby, and make a new friend. We need the old friends and a few new friends. Old friends often keep us grounded while new friends bring new thoughts and ideas.

Continue to cultivate your faith and the spiritual side of your life. Your life is more than flesh and blood. Being at peace with God and yourself can only make your life feel more meaningful and level.

Life is flying by. Find time to drink a glass of lemonade and sit on the porch. Be sure to savor that morning cup of coffee. Take a walk or ride by your favorite lake or stream. Have a scoop of ice cream. You may or may not have less money but we all have one less day. Make today a good one!
