Mona Blakeman Milby has a longevity of 46 1/2 years at Green Hill, the local skilled nursing facility. She has worked as a business office and accounts receivable manager for most of that time. Milby started working for Green Hill in December of 1975. She noted what she liked most about her job was the "family" she has worked

with at Green Hill. "Mona and I have worked together for over 30 years. I consider her my best friend," said Faye Hawes, Green Hill Rehabilitation and Care Human Services coordinator. "Her walk with Christ shows throughout everything she does. Mona is an inspiration and has devoted herself to Green Hill. She is loved deeply." Some of her favorite memories as a Green Hill employee were:

ceiving on several occasions the "E" award for excellence, Halloween celebrations and arts and crafts festivals at the facility, and family night, which provided an open invitation to resident families for an evening meal and entertainment. During her time of employment at Green Hill, Milby mentioned the fun she has had working with residents and staff and the many great memories. She recently received the Shining Star award

for the month of June at the local facility. During her tenure, Milby has weathered many changes, including changes involving the management and ownership of the local facility. Milby summed up her time at Green Hill

by saying, "It has given me humility, but not enough. Love, but not enough. Growth in my Christian walk and I hope I'm still growing. And friends who feel like sisters and brothers. I would fight a circle-saw for them." David Garst, Green

Hill Rehabilitation and Care Executive Director, said, "Over the past seven years, I've had the pleasure of working closely with Mona. She has always exhibited the highest standards with regards to her work ethic and loyalty to the company."

First, this is way past due, but I would like to thank everyone who said a prayer, made a call, left a message, text sending get well wishes, and all the offers of help in any way during my surgery this past April. It has truly touched my heart.

Thank you to my family and staff at Cowherd and Parrott Funeral Home for taking care of business, making sure everything was handled with care and professionalism while I was away. I love this community more than you can imagine and this has added a whole other layer. Love you all and God Bless each and everyone.
