

Levi Shirley placed third in the 8hp Kids' Class at the inaugural garden tractor pull hosted by Bishop Pulling Team and Sled Rental. The Bishop family of the Grab community hopes to put on more pulls in the future and build interest in this family-friendly sport.

After spending most of the evening riding the pulling sled, Chance Bishop gets his turn to hook and pull in the garden tractor pull at the Cattlemen's facility on September 10th.

# Locals: Bishop Pulling Team and Sled Rental

Allen and Chance Bishop of the Grab community have started a new endeavor. After Allen and sons, Chase and Chance,

got hooked on garden tractor pulling and built their own tractors, the Bishop family wished for more opportunities to pull. So, when the opportunity presented itself, they bought their own sled.

The sled needed work, but the Bishop men dug in on repairs to make their dream a reality. Since the Bishops interest in pulling began as a way for Allen, Chase, and Chance to have a project to work on together, they are hoping that this could grow into something many Green County families can do and enjoy.

After many evenings of trial runs on their farm, the Bishop's hosted their first official pull Saturday, September 10th at the Cattlemen's facility in Greensburg. Results from the inaugural pull are as follows: 8hp kids class--1st-Maddie Keltner, 2nd- Milie Keltner, and 3rd-Levi Shirley. 8 horse overhead valve class--1st-James (Peedid-

dle) Darnell, 2nd-Jon Hargan, and 3rd-Jeff Wright. 30 cubic inch class--1st-Brian Alexander, 2nd-Brandon Keltner, and 3rd-Brian Alexander. V-Twin class--Brian Alexander and Brandon

Keltner (tied for first). Patsy Bishop, whose job includes the detail work (keeping up with pullers, order of pulls, collecting fees, and handing out winnings) commented, "We would love to host a pull at

least once a month. It is a lot of work, but if local folks get involved, it is worth it."

To keep up with the schedule of upcoming pulls, follow the Bishop Pulling Team and Sled Rental Facebook page.

Jeff Wright had quite the ride in the 8 horse overhead valve class a couple of weeks ago at a garden tractor pull hosted by Bishop Pulling Team and Sled Rental.

Not your average garden tractors--Bishop Pulling Team and Sled Rental hosted a garden tractor pull on September 10th. In four classes, there were over 20 hooks.
