MEET THE DRAGONS

Comments by Coach Colt Phelps

Eli Bishop - #1

Eli is a very athletic kid and seems to have a nose for the ball. This is his first year playing football and he is already earning some time on the offensive side, getting a few catches in varsity play. He has been playing very well in our JV games and I look forward to his continued improvement this season and next year.

Ashtin Guenter - #77

Ashtin started playing football last year and it was a learning experience for him. He has worked extremely hard in the offseason developing his strength, agility and conditioning and has been able to get some playing time at our 0 technique on defense. He is the most well mannered kid and a pleasure to be around.

Caleb Scott - #16

Caleb is another first-year player with a great frame, tall and muscular with good speed and strength. He is still figuring out the ropes of all things football right now, but has been making big plays in JV games as an outside backer and TE. He has earned spots on our special team's unit as a first-year player, and I think if he keeps working hard he will develop into a very good football player.
