

How She Died

Kathryn Leigh Thurgaland (Kayleigh, Kathy, Kay-Kay) of Ocklawaha, Florida, passed from this life and onto the next on October 10th, 2020. She was 18 years old; an angel on earth and now an angel in heaven. She was sleeping and buckled in the backseat of a friend's (Dustin Colgan) car when a horrific crash occurred. The KLT Foundation will keep her beautiful memory alive.

Who Is KLT ?

Kayleigh grew up in Ocklawaha, starting her education off at Blessed Trinity in Ocala then continuing and graduating from The Villages Charter Schools, class of 2020. She was an active member of Blessed Trinity Church in Ocala and then Immaculate Heart of Mary in Candler. Within her first month of college, September 2020, she was designated Vice President of Turning Point USA. Kathryn attended Flagler College in St. Augustine from August 2020 until her passing.

ever seen. Full of life! Kathy was on a continuous path of self discovery, exploring her passions, trying new things, honestly evaluating her skills and values, and not afraid to ask the hard questions.

Always dancing, singing, twirling, hugging, and loving. She shared her love and loved the unlovable. She literally danced like no one was watching. The most down-to-earth, free-spirited angel who always had a smile on her face and laughter in her heart. Kayleigh is the most BEAUTIFUL, kind-hearted and wonderful person that you would ever meet. Kathy was the person you wanted to know, the person you would gravitate to, she welcomed everyone!

Passionate about everything, Kathryn was curious, determined (stubborn at times); a remarkably brave, talented, intelligent and VIBRANT young woman with the biggest and brightest smile you've
