

Evening Rotary Partners With Staples To Provide School Supplies For Students

Lady Lake Staples has a goal of filling this goal twice! "Our customers are generous and we want to make sure every student that needs supplies gets them. Working with Evening Rotary club has really been a good partnership." states store manager, Eric Miller. "We started this relationship last year," says Tim Treat, Villages of Sumter, "sometimes when I volunteer this year I see a student pull out the yellow Staples box...its really makes me smile."

Supplies Delivered To Harbour View

The first donation of 240 boxes were delivered by President Julie Scmied, Village La Reynalda, and Rotarians, Jim and Sue Bodenner, Village of Tierra del Sol South, to Harbour View Elementary School. They will be distributed to summer school students in early June. Next delivery will be to Stanton Weirsdale Elementary School, Weirsdale.

Please Donate

Cashiers Edward Saliva and Tammy Hensley consistently ask Staples customers if they would like to donate \$5 for a box of school supplies to help local students.
