

## KLT Foundation Presents the Love Of Life Festival

The Kathryn Leigh Thurgaland Foundation is built to lift up spirits. The founding board members consist of Kathryn's immediate family; her mother Jodell, her father Todd, her two brothers Ryan and Avery and her sister, Elizabeth. The Kathryn Leigh Thurgaland foundation Inc. was founded July 13, 2021 and is a 501(c)(3) organization. Donors can deduct contributions made, under IRC Section 170.

Kathryn Leigh Thurgaland foundation to meet the initial needs of families who have lost a child along with carrying her legacy forward to future generations of students through memorial scholarships.

The KLT foundation offers support to families who have lost a child in the same way her family was helped by friends and family.

The Kathryn Leigh Thurgaland foundation believes strongly in con-

tinuing to honor Kathryn's amazing love of life by recognizing her values of human expression through art, music, dancing, and the performing arts. It is in this vein that we provide memorial scholarships for students that practice and live the same values and dreams.

With that came the first annual Love of Life Festival that came to life on the most beautiful day, on the most beautiful piece of land donated graciously

by Dr. Pyles of Ocala. This amazing day, honoring Kathryn, held a day of music, art and so much fun. There were 8 bands across two stages, 7 food trucks, and 16 vendors on a beautiful 24 acre piece of property that was sure to bring love to your heart and peace to your soul.

Kathryn's family can't thank everyone enough for joining them on this special day and they can't wait to see what next year's event will bring.
