Laniya Johnson Makes It Official/Signs Commitment With Warner University

By: Shannon Love

Bellevue High School Senior Laniya Johnson has signed her college commitment letter with Warner University in Lake Wales, Florida and will major in Agriculture.

Laniya has had an incredible journey during her two year basketball career at BHS. She has accomplished many greats, including breaking the all-time program record of "Most Points Per Game" with 32 points in the game as they defeated West Port for the very first time in history. She was also acknowledged as the Top Offensive Player with 428 points and averaging 21.5 points per game, and named the 2021 Lady Rattlers Most Valuable Play-

er. "Laniya scored over 25 points in a games six times" says Coach Greer. "The really big accomplishment is that Laniya Johnson is the first ever basketball college scholarship recipient in the history of Bellevue high School."

Laniya's had concerns of ever going to college after a PCL injury last year. "Just a year ago I had no faith in going to any college because of my injury, but, it definitely made me come back stronger for my senior year and now I am here signing with Warner university to play basketball at the next level."

Laniya's advice to the next season's incoming players is to never lose confidence and never ever give up.
