

Canton residents rescued after flash flooding traps them inside their homes

Several cars were under water and residents were made to stand on their porches waiting to be rescued.

CANTON, Miss. (WLBT) - Canton fire crews rescued residents trapped inside their homes due to severe flooding the morning of Tuesday, August 2. The torrential rain caused a creek on Martin Luther King Drive to rise, resulting in flood waters. Canton residents rescued after severe flooding traps them inside their homes.

Mississippi State Hospital honors Holiday for 20 years of service

WHITFIELD—Mississippi State Hospital recently honored employees with anniversary dates for their years of service. Michael Holiday of Pickens was recognized for providing 20 years of service to the hospital.

Holiday serves as a Maintenance/Grounds Tech III

in Physical Services and has been employed at MSH since 2002.

Service Awards are given to employees in the month of their date of hire, beginning with one year and followed by every fifth anniversary year. Employees receive a Certificate of Appreciation and a Service Award Pin.

It was a truly fun filled day. Veterans hashing about their various calls of duty, we had a soldier and a WAC from World War II aboard our flight. We were well fed,

kept hydrated and pampered. Upon our return to Midway Airport, we were greeted by a parade of fifteen hundred to two thousand people, a Navy and Marine Honor Guard plus three bands play three different styles of music.

When asked, both students shared that their activities, competitions, projects and job shadowing they experienced while attending the Career Center allowed them to be one step closer to their career dreams. They both stated that they will enter college with an edge that other students in their major will not have, because, while at the Career Center, they received a head start.

The faculty and staff of the Holmes County Career and Technical Center stated that these two students excelled and went the extra mile in their educational pursuit. Ms. Hathorn, Director of the Holmes County Career and Technical Center, stated that the experiences they were able to share with these two scholars and their classmates were due to collaboration with area advisory members, business-industry leaders and community stakeholders.

Protein shake maker recalls more than 4 dozen products

by: Daniel Gravois, Nexstar Media Wire

(KXAN) — Protein shake maker Lyons Magnus is recalling 53 nutritional and beverage products because they could be contaminated.

Lyons Magnus said on July 28 the products may have bacteria from the germ Cronobacter sakazakii. According to a company press

release, the germ can cause fever, vomiting and urinary tract infections.

According to the Centers for Disease Control and Prevention, Cronobacter infection can be very serious for older people and people with HIV, organ transplants or cancer.

Invisible ink, coded papers add mystery to ID theft case Lyons Magnus said its re-

call is voluntary, and it has no reports of anyone getting sick from the 53 products listed in the release.

Cronobacter sakazakii was at the center of a recall of baby formula in February 2022. Lyons Magnus said the list of recalled products does not include products intended for infants.

Lyons Magnus said you should throw out any of the recalled products or return them where you bought them for a refund.

If you have any questions, the company said you can call them anytime at 1 (800) 627-0557 or check its website.
