

Long Distance Calling With Equal Access

EQUAL ACCESS

All exchanges for Barnesville Municipal Telephone Company provide Equal Access service.

Equal Access allows you to choose the carrier of your choice for “1” + long distance calling. A list of all long distance carriers is available at the business office.

If you wish to double check who your long distance carrier is for interlata calls; you may do so by calling 1 700 555-4141. This number is toll free. A recorded message will automatically identify the company that is providing your long distance service.

LONG DISTANCE RATES

Rates vary depending on your intralata and interlata carriers. Check with them for specific rates, times and discounts.
