.....  
The following materials are also accepted at the Recycling Center. Special fees apply as noted below and are to be paid at the Recycling Center.

## TIRES

(without rim)

Fee applies.

## MAJOR APPLIANCES

Residential/commercial furnaces, boilers, dehumidifiers, water heaters, air conditioners, clothes washers/dryers, dishwashers, freezers, refrigerators, stoves and microwave ovens. This includes computer monitors, CPUs and TVs. Fee applies.

## YARD WASTE

The compost bin has been moved to an area near the lagoons for your use. The branch burn pile is located by the lagoons for you to dispose of sticks and branches. There is also a separate pile for disposing of grass and leaves. Please keep branches and leaves separate. This area is open daily for your convenience. PLEASE no garbage, furniture, carpet, etc. at the brush pile.

The city does not have a place for disposal of cement or other demolition. Dumping of such materials is illegal and subject to fines.

.....  
For more information on recycling, compost or any other hazardous waste issues, please contact the Recycling Center at (218) 354-2567.
