KILLEBREW

for CIRCUIT COURT CLERK

JENNIFER KILLEBREW

THE RIGHT EXPERIENCE,
THE RIGHT CHOICE.

Successes during my tenure as Circuit Court Clerk:

GOOD STEWARD OF TAXPAYERS DOLLARS

- Secured a new credit/debit card company to accept payments for both courts, with a new option for online payments.
- Eliminated a duplicate position, saving taxpayer dollars in salary and benefits.

ADVANCEMENT IN RECORDKEEPING

- Implemented a scanning system to digitally store court documents.
- Implemented a new online record system for both courts.
Research firms who pay a yearly subscription help offset the cost of the system.

PRESERVATION IN COURT DOCUMENTS

- Moved thousands of court records to the W.C. Archives building and helped volunteers to clean and log records.

TEXT MESSAGE SERVICE

- Implemented a new text message service to notify jurors more efficiently of trial dates and improved communication with other parties associated with the court system.
