## It's Time to Stop the Stupid in Washington

WHAT WORK EXPERIENCE DOES HE HAVE?

ISN'T HE STILL GOING TO LAW SCHOOL?

HOW YOUNG IS HE, ANYWAY?

DOES HE EVEN PAY INCOME OR PROPERTY TAXES IN GEORGIA?

DID HE REALLY SAY "TRUMP SUPPORTERS ARE RACIST"?

IF HE LOSES, HOW LONG WILL HE BE STAYING IN GEORGIA?

WHERE DID HIS BIG BAG OF CAMPAIGN MONEY COME FROM?

WASN'T HE JUST LIVING IN CONNECTICUT?

DID HE BREAK VALUES OF THE WEST POINT HONOR CODE?

WHAT IS HIS DEAL WITH TOM COTTON OF ARKANSAS?

WOULD HE BE WORKING FOR US, OR FOR WASHINGTON FAT CATS?

"I am Wayne Johnson, and I am angry at Washington elites. Republicans in Georgia should be, too. It's wrong for D.C. powerbrokers to handpick a law student living in Connecticut and send him to Georgia to be our next congressman.

"Jeremy Hunt is an engaging young man who has never lived or paid taxes in our district. We can't let Washington money and political celebrity endorsements fool us into voting against our interests. The folks in D.C. are pushing for someone in Congress they can control. The truth is, they do not give a damn about people in Georgia's 2<sup>nd</sup> District."

Note: Each of the questions presented herein has been set forth by people from Georgia's 2nd District.
