

Croom's homeroom enjoys an ice cream reward for collecting the most pop tabs

Mrs. Christy's Croom Seminole County Elementary fifth grade homeroom recently received an ice cream reward party for collecting the most pop tabs for fifth grade 4-H. Each SCES fifth grade homeroom had a competition to collect the most pop tabs. All together the fifth grade homerooms collected 30 pounds of pop tabs.

All of the pop tabs that were collected were given to one of the Ronald McDonald Houses in Georgia. The pop tabs are recycled and the money is used to pay the utility cost for a full year at one of the Ronald McDonald houses in Georgia.

Thank you to all the fifth grade homeroom teachers and students for collecting pop tabs for Georgia 4-H.
