

ON MARCH 10TH the Mason County Farm Bureau met with Representative Rodney Davis during Representative Davis's Illinois Farm Bureau Endorsement Tour. Representative Davis hand-picked

Mason County Farm Bureau through their diversity of crops being produced throughout Mason County and wants to have a working relationship with our farmers when ag policy comes about.

Ag instructor Allyson Smith leads her students through an experiment evaluating different soil types and their rate of capillary rise.

Diesel instructor Joe Clemens helps a student through disassembly and organization of parts.

## We understand hands-on training is key.

At Spoon River College, our students get hands-on training and work-based learning throughout many of our career programs. Whether through Ag, Diesel, or one of our many other career programs, Spoon River College is... *taking you where you want to go.*

### Agricultural Business Management

Associate in Science Degree  
Associate in Applied Science Degree  
Agricultural Precision Technology Certificate  
Agricultural Production Certificate

### Diesel & Power Systems Technology

Associate in Applied Science Degree  
Locomotive Mechanical Certificate  
Preventive Maintenance Certificate

Summer 2022 registration is open now!  
Fall 2022 registration opens April 1st.
