## REAL ESTATE REAL ESTATE

**107 N Oak Street, Arthur, IL 61911**  
**\$118,000**

Well maintained two-story home on edge of town

This lovely two-story home is four bedrooms, 1-1/2 bath on an oversized, corner lot that borders the field in back and has large, mature trees. This was a country home until it was purchased and moved into Arthur in 1988. Carpet has been laid over almost all of the original hardwood in the main floor of the home and on the stairway. The large open kitchen has newer Amish built cabinets and opens into a dining room on one side and the large laundry room on the back side. Upstairs are the four bedrooms with a half bath in the master bedroom. All rooms have hardwood floors that are in great shape. Each room, upstairs and downstairs, has its own individual gas heater, wall mounted. Window Air conditioner units are used to cool the home. The detached garage has electricity and is accessible from the house via a very nice, patio type concrete area. The full width, covered front porch has a porch swing for enjoying lovely evenings. But the large back deck has lots of visiting space and several built in benches, plus that great view of the spacious back yard with all those big shade trees. Plenty of room for your own garden! This home is being sold AS IS. Home inspections are welcome, but no repairs or concessions can be made.
