Forms for physicals, dental and vision exams, emergency medical forms, food allergies, asthma, etc. can be found on the district website at <https://www.cusd305.org/page/school-registration>.

Cafeteria Operation

The USDA free meal program for all has expired. Students will be charged full meal prices for 2022-2023.

Breakfast will be served on a daily basis for \$2.10 per day. Lunch can be purchased by students in kindergarten through fifth grade for \$2.80 per day and by students in grades 6-12 for \$3.00 per day.

To apply for free or reduced priced meals, please fill out the Food Service Application in Skyward Family Access on a computer. This is not accessible through the

app. If you have any questions, call your school office after August 1.

At the high school an "Ala Carte" line will be offered. This line has a variety of single items with the menu varying slightly each day. Students must have money in their food service account to charge any ala carte items.

Parent-Teacher Conferences

Parents are welcome to confer with teachers at any time during the year.

Parent-Teacher Conferences will be held during the evening of October 26 and 27 from 4 to 8 each evening.

Grade School Hours

School day hours: 8:05 a.m - 3:25 p.m.

High School Hours

School day hours: 8:15 a.m - 3:13 p.m.

Arthur Crossing Guard

Parents living west of Vine Street are reminded that an adult crossing guard is on duty at the intersection of Vine and Park streets. This is the safest place for

students of any age to cross Vine Street.

Physical Exams

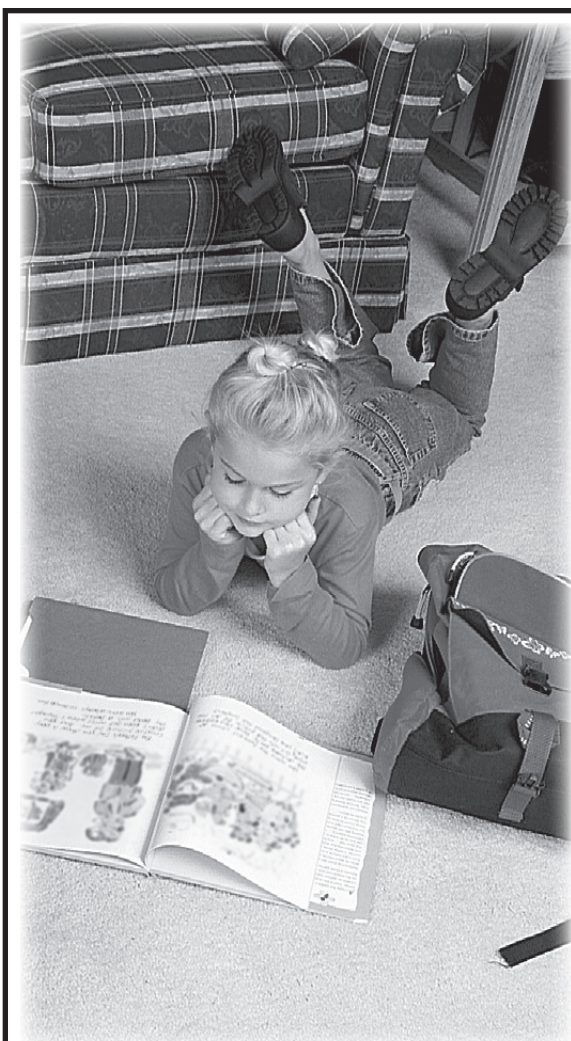

Physical examinations are required by state law of all students entering preschool, kindergarten, and sixth and ninth grades plus new students entering the school district for the first time.

This law will be adhered to by Arthur Lovington Atwood Hammond Schools. Any child not having a complete and current physical examination record and immunization record will not be admitted to class.

They will be sent home and counted absent until the school receives a completed health record or until arrangements have been made with the building principal.

New students and those entering kindergarten and second, sixth, and ninth grades are also required by school policy to have current dental examinations on file.

- Praise your child for doing good work
- Insist on doing schoolwork before other activities (TV, play, sports, etc.)
- Find a quiet space for your child to study.
- Talk with your child and be an audience for his or her ideas.
- Encourage educational hobbies (collecting, learning music, photography, writing, drawing).
