August 3, 2022

A RADIO-CONTROLLED CAR and soccer ball are airborne during a game of RC soccer Saturday at Wimple Park in Tuscola. This was the first time the event, which started in 2011, has been held in Tuscola. Organizer Adam Munds said he was very happy with the location, which drew 150 contestants from 16 states for two days of competitive races, jumps and tricks. He said he doesn't know how many people came out to watch but that it typically draws an audience of about 3,000 over the weekend. Participants came from as far away as New Hampshire and Massachusetts. A blood drive was held with the event; over the years, the organization has donated about \$10,000 to ImpactLife, Munds said. *Photo by David Porter.*
