

WHAT'S A WARRIOR workout without a bunch of Warriors? The first Warrior Workout was held Jan. 8 at the PreGame Sports Complex in Monticello, and a large contingency of Tuscola residents joined the challenge including members of the Alpha & Omega Power Training Center (pictured). The event was hosted by the Peacemaker Project 703 in honor of Chris Oberheim. Oberheim was a Champaign police officer who was killed in the line of duty May 19, 2021. His widow and their four daughters organized the Peacemaker Project 703 to support law enforcement officers and their families through community outreach, reform and education, according to the group's website. Participants in the event at Monticello were challenged to complete seven movements, 70 repetitions of each three times. *Submitted photo.*
