Second booster shot recommended by IDPH

**By Colleen Lehmann
Douglas County
Health Department
Public Health Liaison**
Good news on the COVID front! Last week, Illinois Department of Public Health adopted the CDC recommendation of a second Pfizer or Moderna booster shot for certain demographics. They are as follows:
*An additional booster dose

of either Pfizer or Moderna will be available to anyone age 50 or older as long as it has been at least four months since their first booster dose.
*An additional booster of Pfizer will be available for immune-compromised individuals age 12 and older as long as it has been at least four months since their first booster dose.
*Any adult age 18 or older who received J&J as their pri-

mary COVID vaccine can have an additional booster of Pfizer or Moderna as long as it has been at least four months since their first booster dose.
You can get your booster dose at any of the regularly scheduled twice monthly DCHD COVID vaccine clinics at the Tuscola Outlet Mall J600 location. Appointments can be made online at dchealthdept.org or by calling

217-253-4137 ext. 1225. COVID testing schedule at J600 remains Monday-Thursday from 8:30 a.m. to 3:30 p.m. and Friday 8:30 a.m. to 12 noon. Testing is also done on an appointment basis.
IDPH data as of April 1 shows 51.76% of Douglas County residents have had at least one vaccine dose, while 47.86% of residents are fully vaccinated. There have been 4,459 booster doses administered to county residents. The county, as well as the entire state, is currently in the low transmission category for spread of COVID. IDPH figures from March 29 show the 7-day rolling positivity rate (rapid and PCR testing) for Douglas County residents was 0.8%, and for Region 6 that number was 1.2%.

well visits and immunizations, and now more than ever it is imperative to get them back on track.
I would again ask that you consider if there are public events in your community that

DCHD could be involved. We are happy to set up a trailer, tent, or just a table with information on public health programs, giveaways, and even provide some onsite health-care services.

THEY SAY TWINS run in the family. Here, twins John Harris (seated, left) and Joe Harris, lifelong Tuscolians, pose for a four-generation photo with John's twin great-granddaughters, Rylee Evelyn Barber (left) and Aubree Jacklyn Barber. Standing, right, is John's son Brian Harris. At left, standing, is Brian's daughter Brook Barber, mother to Rylee and Aubree. Not pictured is Chad Barber, dad to the baby twins. Submitted photo.
