

Hardin County Middle School

Welcome to Hardin County Middle School!

So far, the beginning of the 2022-2023 school year is off to a great start! I am beginning my 25th year at HCMS, my sixth as principal, and I have never been more excited about the journey. We have an engaging, highly-qualified group of teachers and staff who love teaching and are eager to get started. We are thrilled to welcome an AMAZING group of students this year and to facilitate the acquisition and fine-tuning of the skills and values vital to building a successful life and career. Our school offers numerous clubs and activities for all interests, and we have plans to add more this year. Everything we do at HCMS revolves around our mission to Learn, Lead, Serve, values we are working to instill in our students every day.

Plans are in the works to revamp our Parent Action Council, and we invite and encourage all of our students' parents to get involved with this organization to support their children and their educational needs. If parents have any questions or concerns at any time, please feel free to contact us at the school.

I see nothing but great things ahead for us at Hardin County Middle School. Let's all work together to make this the greatest year our students have ever had!

Sincerely,

Duane R. Eliff, Ed.D.

Hardin County Middle School Principal Dr. Duane Eliff, center, with assistant administrators, Dr. Kris Smith, left, and Jason Carman, right.
