

2022 Tigers expect to compete in District and Region

Submitted by
Tiger Golf Coach **Dee Morris**

Our golf team returns three players from last year's team. Wheeler Wilkes is our lone senior this year and is coming off a trip to the region tournament. He is an extremely hard worker and is looking to take the next step to state. He has put in the time this off-season to reach that goal.

Sophomore Zach Thompson also went to the region tournament last year and has improved as well. Junior J.P. Morris is returning for his third year and is getting better every day. Junior Brayden Turner and freshman Bryson Matlock round out our team. Both of these guys are working hard to lower their scores. We expect to be competitive in our district & region.
