faces, including seven skilled freshmen. With hard work, time, and a injury-free season, we think we can compete with the top teams in West Tennessee.

This year we are working hard to reach another District 11A Championship Game. Last year's team did an amazing job and worked to teach this year's group leadership and competitiveness. We hope to continue the tradition of the teams from previous seasons that accomplished record-setting feats.

This year will be the first year we've had to replace over half of our starting line up from the previous season. Four-year senior starters Kyla Sanders and Kayla Mast will be crucial to the success of this year's team.

We have a lot of new
