

East Hardin Elementary

Welcome Back

East Hardin Elementary has had a roaring good start to the school year. On July 28, East Hardin welcomed parents and families for the school's Open House. This year's theme is, "How sweet it is to be an East Hardin Tiger," and parents and students enjoyed touring the school decorated like a candy sweet shop. It was also sweet for them to have a meet and greet with East Hardin's teachers.

Staff and faculty of East Hardin Elementary welcome parents and students to their Open House on July 28.
