

Seasoned seniors to be backbone of HCHS soccer

Submitted by HCHS
Soccer Coach Lucas Jones

During the 2022 Lady Tiger soccer season, the team will be relying heavily on its core group of returning seniors. Most of these ladies are four-year seasoned players who are the backbone of the team. Cierra Cherry, Anna Harrison, Reese Harville,

Libbie Morris, Annsley Pickett, and Mia Shirley all return and bring their leadership, strength, soccer experience, and multi-sport experience to the developing team.

Senior Katie Adkins joins the team bringing along her basketball experience. Juniors Caitie Hurt, Lacy McClain, Taylor Stang, and Kathryn Wilson

all return competitively vying for starting positions. Ema Adkison joins the junior players bringing along her softball experience. Sophomores Jade Storms and Riley Stricklin round out the group of returning competitive players.

Shiloh Whitten joins the group bringing her athletic softball skills as well. New this year to the team are first-year players Brisa Chavez, Lillie Beth DeBerry, Zoya Dogar, Taylor Franks,

Brylie Harville, Sabrina Huerta, Mary Jeanty, Lilly Jones, Mari Emma Lowrance, Norah Shelby, Addison Stanfill, Jasmine Storms, Bethany White, and Cheyenne Winborn. These ladies may be new to the team, but not to challenging work. They have put in work in the pre-season and will prove to be a valuable part of the team for years to come. As with every year, the Lady Tigers hope to live up to their reputation of hard and aggressive playing and look forward to a successful season.
