FRIO REGIONAL HOSPITAL is a full-service hospital, providing emergency medical care around the clock, and is now partnered with Methodist Healthcare, the largest health care provider in South Texas.

SERVICES INCLUDE:

A State Designated Level IV Trauma Center • Treatment for a wide range of health care issues/injuries
24-hour Laboratory/Radiology Cover • Physicians on duty 24-hours a day • Transfer agreements for patients requiring higher level of care • Every resident of Frio County has coverage under the Methodist AirCare™ membership program, to serve those in need of advanced emergency health care and rapid medical transport

Frio Regional Hospital is just off Interstate 35 at Exit 101 and serves our surrounding communities.
