

What's in your bag?

New products, practical goods for the hunter...

BREYANA SEGURA

BINO HARNESS PRO-M: is the perfect harness that is equipped with a laminated panel for binoculars on the underside of the pouch, allowing for quick and easy accessory or gun holster attachments. The harness is designed to be quiet, lightweight, modular and easily operated with one hand. Constructed with minimal elastic, the harness eliminates bouncing when running, jumping or riding.

TACTACAM FTS OFILM THROUGH SCOPE: such a cool gadget for the hunter who has it all. An attachment for the tactacam, this accessory allows for the hunter to attach

the camera to the scope and record. Since the camera is attached to the scope recordings are magnified and allow for the hunter to zoom in. the Tactacam FTS is versatile and fits a variety of scopes, it will not affect the shooting form.

FISH AND GAME COOKBOOK:

So you have bagged your wildlife, now what to do with the meat? The Meateater, a fish and wildgame cookbook provides recipes and techniques for every hunter and angler. Available on Amazon, this cookbook is a perfect tool to help your hunter refine their at-home cooking game.

BINOCULARS: Every year your hunter may find an excuse to

get a new 'pair of eyes.' The new Leupold BX-2 Alpine HD binoculars may be just worth the buy. Available in four different sizes, these binoculars are perfect for any big-game hunting, especially South Texas whitetail. These particular binoculars are appealing because they offer Leupold's elite optical system, with edge-to-edge clarity, superb light transmission, glare reduction and excellent low-light color balance. They are worth the clarity.

KILLER INSTINCT FUEL 415 CROSSBOW: Weighing around seven pounds, the Killer Instinct Fuel 415 Crossbow Pro Package with rapid draw cranks offers big speed with easy cocking. This is perfect for the hunter who prefers a bow

over a firearm. The bow blasts arrows towards game at speeds up to 415 feet per second offering serious firepower. The lightweight frame combined with an adjustable buttstock for easy handling. The pro-package includes a 4X32 scope, side-mount quiver, 3 HYPR lite bolts, roper cocker and rail lube.

POCKET KNIFE: They're simple, small and fit right in your front pocket or sheath. But they're a must have for any hunter. Case knives are well-crafted knives that are customizable, stylish, made from premium-quality stainless and non-stainless steels. Offering custom imprinting, the Case brand transforms these knives into a cherished keepsake for any occasion.
