North Central High School program recognized for dynamic and engaging yearbook.

Kershaw, SC/ November 9 2023 – Jostens, the leading producer of yearbooks and student-created content, today announced that North Central High School’s yearbook program has achieved the Jostens 2023 National Yearbook Program of Excellence award at the Gold Level. The National Yearbook Program of Excellence recognizes engaging yearbooks that reflect a broad representation of the student body while helping students develop 21st century skills such as communication, collaboration, and information and communication technologies (ICT) literacy.

The North Central High School award-winning yearbook program is under the direction of April Johnson, North Central High School’s Yearbook Adviser.

Jostens’ National Yearbook Program of Excellence Awards are presented twice a year, in spring and in fall based on the yearbook’s arrival date at the school. The award was presented to the North Central High School yearbook program for achieving defined criteria in all three of the following categories: creating an inclusive yearbook, generating school engagement, and successfully managing the yearbook creation process.

“Jostens is proud to recognize those individuals who have created an exceptional yearbook for their school and community,” said Tammy Whitaker, Jostens VP and COO Yearbook Division. “These schools did an exceptional job on multiple levels, despite the challenges presented by this school year. Yearbooks are a critical part of capturing and telling a school’s story, and Jostens is dedicated to supporting yearbook staff members as they do their important work.”

Founded in 1897, Jostens has produced school yearbooks for over 60 years. Schools rely on Jostens and their local Jostens representatives to provide a combination of journalism education and technology tools to deliver a learning experience that helps students develop 21st century skills in journalism, photography, writing and design, leadership and business while creating the permanent record of the school year.
