Why rent when you could buy?

- In the Oklahoma City area, rents went up by 12% in 2021 and 18% in 2022. Landlords can raise your rent when leases are up.
- Mortgages are the most cost-stable housing option.
- With no down payment and no closing costs, the biggest obstacle to home ownership is overcome.

Energy-efficient, well-built homes

- Geothermal heating system
- "Best Quality" hail-resistant roof
- Save on utilities with energy-efficient windows and weatherproofing.
- Our houses are built with volunteer labor and brand-new donated materials, so they cost less.

Get it just the way you like it

- Select from a variety of floor plans to find what you like best.
- Choose from house lots in available locations.
- Pick your favorite colors for carpet, flooring, cabinets and countertops.
