

# Town & Country Garden Club Visits Glades Sugar cane Fields

Town and Country Garden Club members enjoyed a day outing to the sugar cane fields in Clewiston. This is a very informative tour about the sugar industry in the United States. A tour of the processing plant makes the entire process very real for visitors. A trip to the cane fields to see how the sugar cane is harvested and what it entails was very educational. Bryan and Pablo, the guides, were very knowledgeable. A luncheon followed at the Clewiston Country Club. For more information about the garden club, contact Erin Allen at [erinallen.realtor@gmail.com](mailto:erinallen.realtor@gmail.com).

Pablo and Bryan our guides cutting some sugar cane for us.

Sara Cary, Ellen Kocher, and Pat Elmore tasting freshly cut cane.
