

# Lancaster Class of 2023

Colors: Cardinal Red • Flower: White Carnation

Motto: "Chase your dreams, but always know the road that will lead you back home." ~ Tim McGraw

**Siri Jo Stenmark**

Parents: Reed and Kelsey Stenmark

Siblings: Joie, Kiefer, Brynlee and Soren Stenmark

**Best School Memory:** One of my best school memories is when all the high-schoolers used to play kickball as a big group at recess. We would create teams of girls against boys or sometimes everyone against a few of the really good boys (because we were not very good), and just have a really fun time. I also have really good memories of the whole high school getting into intense volleyball games at recess. It was super fun getting everyone involved, even if most of the time it turned into us playing "streetball" (If you get it, you get it). Lastly, something I will never forget about my class in high school is us wearing Hawaiian shirts as a class on certain days. Over the years I have accumulated many Hawaiian shirts so I can have a new one to wear on "Hawaiian shirt day."

**Favorite Class:** It is a tie between British literature and art. I like going to British literature because Mrs. Steen keeps her classroom very laid back and open minded. I also love learning about classical and influential pieces of literature. As for art class, I have always loved it. Since I can remember I have loved to draw, paint, and in general just create. Mrs. Nelson, like Mrs. Steen, keeps her classroom very laid back and is open to anything. She, and her class, has led me to create and achieve things I never thought I would have been able to.

**Future Plans:** Currently, I have plans of attending Colorado State University in Fort Collins, Colo. There I will major in the study of biochemistry. After obtaining a degree from CSU, I would like to be part of a career that involves both biochemistry and agriculture. Some occupations I have thought of pursuing include the following: geneticist, biochemist, or biochemical engineer.

National Honor Society*

**Jazzlyn Isabella Thompson**

Parents: Gus Thompson and Brian and Laura Hanson

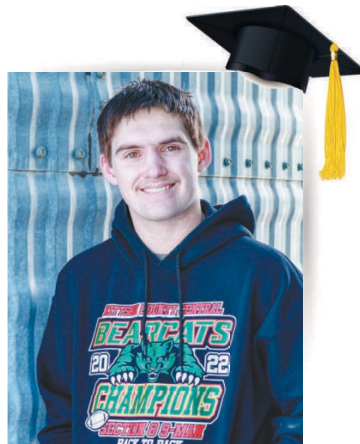

Siblings: Thomas Thompson, Emma Hanson, Vivian Hanson

**Best School Memory:** Some of my best school memories were in our OCHS class my junior year. That year, I was in OCHS classes with many of the seniors and their energy made the class really fun. During the different holidays, we would do potlucks and dress up according to the holiday. Our first meal was Thanksgiving and we all dressed as Pilgrims and had a huge lunch together. Our last meal was during the last week of school, we had a "dad grill out" and we were all to dress as our dads. This was one of the most fun meals. We played "dad music", talked like our dads, and told dad jokes. Hannah Vagle even took it upon herself to grill burgers before school so we could have a true grill out.

**Favorite Class:** Art class has always been a favorite of mine. Although I do not see myself as the most artistic, the class in itself is a pretty great environment to be in. I love having art at the end of the day to be able to take a break from school work and do something more creative.

**Future Plans:** I am going to the University of North Dakota and majoring in psychology. With my psychology degree I plan to either go into forensic psychology or children's psychology.

*Honor Student*

**Ted Wolfgang Webster**

Parents: Ned and Emily Webster

Siblings: Liz, Abe, Courtney, Sam, Audrey

**Best School Memory:** Winning in the Fargo Dome for the second time.

**Favorite Class:** I would have to say weight training. I get to work out and try and be better than I was the day before.

**Future Plans:** I'm going to SDSU for animal science.

*Honor Student and  
National Honor Society*

**Eyan Douglas Whitlock**

Parents: Josh and Rebecca Whitlock

Siblings: Gracie, Laurny, Camryn

**Best School Memory:** Doing battle of the classes in seventh grade.

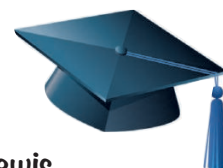

**Favorite Class:** Shop class, because I get to build and make whatever I want, and I get to be creative.

**Future Plans:** Plan to attend Minnesota State Community and Technical College in Moorhead, Minn., for automotive and service technology.

*Honor Student and  
National Honor Society*
