

A Cow Days Tradition

Nancy Stearman, a past Rotary District Governor and Otha Ray Stearman, a past District Governor, care for Annie year round. "We hope the 50th Cow Days 2023 is your most enjoyable ever," Stearman said.

Mayor John Shuffett

welcomes everyone to

Cow Days

On behalf of the City of Greensburg, I would like to extend an invitation to all for a celebration of our town, our traditions, and our people.

Cow Days has been the heartbeat of Greensburg for decades. Born on October 16th, 1928, and resurrected for good in 1973, Cow Days showcases the very best of our community.

Come enjoy live musical performances by some of the best bands in the South, the Rotary Club's signature ham breakfast, the Cow Days 5K race, the crowd favorite Cow Days Parade, a shopping experience with something for everyone, delicious food from a wide variety of vendors, the VERY BEST lemonade you have ever tasted, and who could forget Annie the Cow? I can't wait to see you there!
