After enjoying donuts in the gym, students and their grandparents moved to the library to check out the book fair during grandparents day last week at GCIS.

Members of the Lady Dragon Soccer team and Dragon Football team volunteered to eat with students whose grandparents were unable to make it to GCIS's grandparents day celebration last week.

Tanner Willis makes contact with the ball on hole no. 9. He and Ayden Olson had the lowest scores for the Dragons, both shooting a 39.

The Green County High School Boys' Golf team competed in the first annual South Central Conference Golf Tournament Thursday, September 7, at The Pines at Lindsey Wilson Golf Course in Columbia. The inaugural golf

tournament consisted of eight teams from around the area who will make up the newly organized conference. Metcalfe County was the team winner with 159.

Additional team scores included: Adair County 160, Monroe County 160, Barren County 161, Green County 165, Russell County 166, Cumberland County 169, and Warren East 182.

Jameson Corbin, of Barren County, was the individual med-

alist, carding a 35. Green County was led by Ayden Olson and Tanner Willis, each shooting a 39. Other local scores were: Drew Squires 42, Joey Henderson, 45, and Devin Day 46. "Although we didn't play our best, a 165 is still a respectable and competitive score," said Coach Nick Przybylek. "I'm excited for this new conference, with 8 schools that all have very good golf teams and student-athletes that get along well with each other. It will make next season much more competition-based and will only make our program get better."
