

Enjoying our passion while giving back to our community

By Staff Writer

“ENJOYING OUR PASSION WHILE GIVING BACK TO OUR COMMUNITY” is what the Pickens Freedom Cruisers is all about. The non-profit car club started in 2021 with a goal to gather the community together and enjoy their passion for the classic cars and motorcycles they love. The club is hopeful that they can make a difference by taking funds collected at the cruise-in’s and shows to give back to help people and organizations in Pickens County.

Cruise-ins are held the fourth Saturday of each month at the parking lot of the Mountain Education Charter High School building at 339 West Church Street beginning at 4 p.m.

The club has membership and a board of officers to oversee their monthly business meetings. Items discussed include voting on the car of the month that is featured on their website and deciding which charity they will donate to for the month. Serving as president is Tracy Hensley; vice president Toby Jones; and secretary/treasurer is Sandra Jones.

Pickens Freedom Cruisers invite everyone to come out to their cruise-ins and visit them at www.pickensfreedomcruisers.com for more information.

Photos courtesy of Pickens Freedom Cruisers. Their June cruise-in was held at The Lodge at Stephens Lake so the residents could enjoy looking at the classic cars and the fellowship. Funds collected for the charity of Alzheimer’s.
