

Barnesville Municipal Utility is Celebrating Our 100% Net-Zero Carbon Designation

Clean energy helps the environment and enhances the many other amenities that make Barnesville a great place to call home.

- Great parks and trails
- Blue Eagle Lake
- Clay County Fair
- Thriving ag and retail economy

MAKING BARNESVILLE AN EVEN BETTER PLACE.

Barnesville reached this clean energy milestone through its supplemental power supplier Missouri River Energy Services' **Bright Energy Choices** program.
