education

All 900+ Barnesville students in grades K-12 enjoy the attention of a dedicated staff who are focused on delivering their best in an innovative environment, including iPads for EVERY student.

NEW \$27 Million Building Project

This exciting project added more elementary classrooms, new performing arts auditorium and new gymnasium, as well as a skyway between the schools.

The Vision Of Barnesville Schools

Barnesville Public Schools is recognized for excellence, integrity, and challenging learners to reach their full potential.

A Focus On Academic Excellence

We're proud of our long-standing record of exemplary academic success that is traditionally portrayed by exceptional MCA test scores in mathematics, reading and science.

Small Class Sizes

With small class sizes, your child will have the individualized attention they deserve from talented instructors.

Abundance Of Extracurricular Activities

Whether your preference is athletics, the arts or both, your child can participate in activities of their choice.

Technology As A Learning Tool

Barnesville Public Schools is a 1:1 iPad district for all K-12 students. E-learning and online curriculum has been fully implemented into our school year. Student exposure to a wide range of technology allows them to leave Barnesville with strong knowledge that prepares them for their next step in education.

Summer Recreation Program

Community Education and Summer Recreation Programs for all ages and interests.
