

# POTATO DAYS MEMORIES

**Lots of Souvenirs . . .**

Ron Johnson's burlap Potato Days vest is laden with all of the souvenir Potato Days buttons produced since 1991. Not only has Johnson accumulated a vast fortune in Potato Days souvenir memorabilia, he also represented the city as royalty. Johnson was officially crowned as the very first Barnesville Mr. Potato Head in 1997. He held that envied title and crown for a year proving he was a true potato head before relinquishing his crown to Eldon Thompson in 1998, another worthy potato head.
