

Having Fun, Fun, Fun In Barrels

On Friday, August 25 the small fries can have a ride on the barrel train.

Barrel rides are a long-standing tradition in Barnesville as it is a timeless source of glee from children.

Have your little spud hop in to a barrel and watch them take off. They will ask to go again and thank you for it later.

Rides begin on north Front Street and are set to run from 6:00 – 7:00 p.m.
